# PASSO 1: ACESSE A PÁGINA DO *KEEPERS* REGISTRY

The screenshot shows the homepage of the Keepers Registry website. At the top, there is a navigation bar with five main sections: PUBLISHERS' AREA, DISCOVER ISSN SERVICES, SEARCH OPEN ACCESS RESOURCES, KEEPERS REGISTRY (highlighted in orange), and ISSN INTERNATIONAL CENTER. Below the navigation bar is a search bar with the placeholder text "Type an ISSN or a title" and a "Search" button. To the right of the search bar is a link for "Advanced search".

The main content area features a large banner with a network diagram on the left and a dark blue box on the right titled "The Keepers". The text in the banner reads: "The Keepers are the archiving agencies which act as long-term stewards of the digital content issued as continuing resources including e-serials." Below this text is a "Read more" link.

Below the banner are four smaller cards:

- Keepers Registry**: is a global monitor of the archival status of digital content assigned an ISSN: a showcase for the activity... Read more...
- Working Together**: Find out how publishers, research libraries and national libraries can support archiving initiatives... Read more...
- Current Statistics**: 84,410 titles now ingested & archived by 17 Keepers & 21,414 titles are being 'kept safe' by 3 or more Keepers. Read more...
